MEET ME AT THE HORSE SHOW

Wachovia Securities American Gold Cup Provides Unique Venue for Meetings and Events

Cleveland, Ohio—May 30, 2007—The Wachovia Securities American Gold Cup, September 19-23, is one of Northeast Ohio's most unique entertainment venues. Nestled in the lush Cleveland Metroparks Polo Field in Moreland Hills, this Olympic-caliber equestrian show jumping event provides the perfect backdrop for corporate meetings and events or private parties.

“What makes the Wachovia Securities American Gold Cup such a unique space is that we provide an atmosphere that can't be replicated in any hotel ballroom or party center,” explained Stadium Jumping, Inc. CEO Michael Morrissey, organizer of the Gold Cup. “Companies hosting an event at the Gold Cup can enjoy exciting horse show jumping action in the natural surroundings of the Cleveland Metroparks. The event includes musical and family entertainment and boutique shopping as well.”

“The American Gold Cup is definitely one of the most unique venues we've partnered with,” said Executive Vice President Charles Klass of Executive Caterers, the official caterer of the Wachovia Securities American Gold Cup. “The Gold Cup's relaxed ambiance provides the perfect opportunity to network with business associates, clients and prospects or to say thank you to employees and their families.”

Gold Cup venue packages vary according to group size and include use of a ringside chalet (for Gold Cup sponsors), ringside pavilion with VIP tables or ringside boxes of six seats. Catered picnics and luncheons can be held at the Wachovia Securities American Gold Cup on Wednesday, September 19 through Saturday, September 22. Evening competition continues under the lights on Friday, September 21 and Saturday, September 22, providing the perfect backdrop for cocktail parties and dinner entertainment. Catering for all events is available through Executive Caterers. For more information on sponsorship or hosting an event at the American Gold Cup, please call (440) 834-8615.

Saturday's City Year Kids Fair (11 a.m. to 3 p.m.) is the perfect complement for any family gathering.
